# BLACK HISTORY LEGACY BOWL

September 20, 2010

## To our Sponsors, Exhibitors and Friends:

The Dr. William U. Pearson Community Center is proud to announce the 2nd Annual Black History Legacy Bowl taking place on **Saturday, February 26<sup>th</sup> from 12:00 p.m. to 5:00 p.m.** at the Dr. William U. Pearson Community Center, 1625 West Carey Avenue, North Las Vegas, Nevada 89032. The BHLB is a celebration of African-American History created of the desire to celebrate and recognize the contributions that African-Americans have made in Las Vegas and the global community, past, present and future. Our greatest desire is for this event to represent positive options for the entire family while having a heartfelt effect in the community.

The Pearson Community Center is fast becoming recognized as a premier social place for youth, educators, and professionals (social organizations, financial institutions, law enforcement, and more) from all over the Las Vegas valley. This event will consist of art exhibits, educational and community diversity workshops, games, live entertainment, soul food and networking opportunities – all designed to enhance, inform and show our commitment to the Las Vegas community and show respect for the history of the African-American culture.

No effort is being spared to assure our sponsors and exhibitors a genuine value in return for their support. The success of this event will be credited largely to our sponsors, who lend their names and financial assistance to the event. Our goal is to raise \$15,000 dollars. Your contribution is tax deductible. Please take a moment to review and select one of the sponsorship levels detailed on the enclosed sponsorship packet.

Your sponsorship will also support educational, cultural, social, economic development, financial literacy and health and wellness programs and activities that benefit the growth and creative development of the Pearson Center and the families in the Las Vegas community.

On behalf of the Las Vegas Urban League, the Pearson Community Center, and Clark County Parks and Recreation, let me thank you in advance for your support of the 2<sup>nd</sup> Annual Black History Legacy Bowl! It is because of caring individuals and their businesses that unselfishly support such requests that we will be successful in our ultimate goal; **Community Building!**
